Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) will need to undertake various periods of statutory consultation on your proposals.

Application for Neighbourhood Area designation

This is the first formal step in the development of a Neighbourhood Plan – a Neighbourhood Area must be designated before a Neighbourhood Plan can be developed. We recommend discussing your objectives with Council officers prior to completing this form, to ascertain whether this is the most appropriate vehicle for you and what support is available to develop your Plan. Working with neighbouring parishes with similar issues could reduce the workload and increase the pool of expertise and knowledge needed for the production of a Neighbourhood Plan.

Community engagement and consultation may need to take place before making an application to designate a Neighbourhood Area. Does the local community support the production of a Neighbourhood Plan? What are the issues as they see them? What Neighbourhood Area boundary options have they been given? Have they expressed a preference? Details of this community engagement should be detailed in Question 9.

Qualifying Body (sometimes referred to as the ‘relevant body’)

Applications must include a statement confirming that the parish council is the qualifying body.

Your application is not complete without this information.

Areas with no parish council

Parish meetings can either get involved with the Neighbourhood Planning in an adjoining parish or apply to the Council to be designated as a Neighbourhood Forum, which can prepare its own Plan. If you think this applies to you, please contact the Council for assistance.

Filling out the form

South Cambridgeshire District Council has prepared this form to make it simple to apply for Area Designation. The contact address used on this form should be the main contact for future communication on the Neighbourhood Plan. Please be aware when completing the form that the information given may need to be published online.

Local Contacts

The Council must publicise the application for designating a Neighbourhood Area. You know your local community and are asked to submit with your application form, details of local contacts that that Council will use in carrying out its statutory consultation. Please ensure that you have enclosed (and send electronically wherever possible to Neighbourhood.Planning@scambs.gov.uk) a list of addresses with postcodes and email addresses to named individuals for as many local stakeholders as possible, including businesses, community groups, landowners and education providers. This information will not be posted on our website but needs as far as possible to be professional contact information and not the personal details of individuals who may not wish to be contacted or consulted on this matter. Information shared with us will be used for the sole purpose of statutory Neighbourhood Planning consultations.

Your application is not complete without this information.

Map of the Area

If you need help to prepare a map showing the Neighbourhood Area please contact Neighbourhood.Planning@scambs.gov.uk or call 01954 713182.

Your application is not complete without this information.

What happens next?

The Council must publicise the Area application on its website and in such other manner as they consider is likely to bring it to the attention of people who live, work or carry out business in the area to which the application relates. There will be a period of not less than 4 weeks of statutory public consultation when the Council will invite comments on the application.

Decision to designate

The Council will decide whether to designate the Neighbourhood Area.

Decisions will be made:

- Within 8 weeks where the parish council is the qualifying body and the entire parish area is nominated
- Within 20 weeks where the proposed area falls across two or more Local Authorities
- 13 weeks in all other cases

In all cases the time period runs from the date immediately following that on which the application is first publicised by the Local Planning Authority, i.e. the start of the statutory consultation by the Council and not from receipt of the application. The Council will notify the parish and publish decisions on its website. Reasons will be given if the application is not successful within the decision document.

The Council may modify the application with the parish's consent if it is considered the Neighbourhood Area is not appropriate.
