

x3 lamp posts to be fitted with antiglare shields with 30 degree cut off. Lux levels are indicative.\*

## Key

- Dark Flight Corridors
- Over 0.4 lux
- Under 0.4 lux
- Site Boundary

\* For the x3 lamps on the north-western boundary, lux levels and isometric lines cannot be provided as the manufacturer cannot supply photometry results. Lux levels are therefore indicative.

Lighting levels taken from MLM Group Drawing 7151809-MLM-ZZ-DF-E-2100 P03 submitted in support of this scheme
