YOUR COMMENTS ON THE CASE

I would like to know where the residents of these new accommodations are going to go to see a doctor, dentist or where their children are going to go to school? Given that children are already going out of Cambridge to attend school due to lack of places this year and the average wait time to see a GP is about a week. Also since the Council is adamant about car charges in the city are there going to be decent bus routes to the area. Is the road infrastructure going to be suitable? Where are these people joining the flow of traffic? Will it be at Green End Road or direct onto Milton Road?
