Dear Miss Graham,

Cambridge Local Plan and South Cambridgeshire Local Plan – Proposed Modifications to Monitoring Indicators

As requested by the Inspectors at the joint hearing session for Matter 5: Infrastructure / Monitoring / Viability and as set out in letters to the Inspectors in September 2016 (RD/GEN/330 & RD/GEN/340), the Councils have undertaken a review of their monitoring frameworks and requirements in their respective Local Plans to ensure that the monitoring indicators were SMART so that the Local Plans could be found sound in relation to this issue.

The review has now been completed and identified that proposed modifications are necessary to both Local Plans in relation to this issue so that the Local Plans can be found sound. The proposed modifications were agreed by South Cambridgeshire District Council's Planning Portfolio Holder on 26 July 2017 (RD/CR/800) and Cambridge City Council's Executive Councillor for Planning Policy and Transport on 27 July 2017 (RD/CR/790).

'Proposed Modifications to Monitoring Indicators' (July 2017) (RD/Strat/530) sets out a schedule of proposed modifications for each Local Plan and also an accompanying 'audit trail' for each Local Plan explaining the reasoning for each of the proposed modifications.

Please do not hesitate to contact me should you have any queries.

Yours sincerely,

Stephen Kelly

Stephen Kelly
Joint Director of Planning and Economic Development
