### Summary

The village has no formal outdoor sports provision or sports clubs in the village; however the Parish Plan has identified the need to increase opportunities for outdoor leisure and sports for residents. It also suggests investigate possibilities for shared use of grounds in Coton & Barton and publicise sports & outdoor leisure opportunities available there.

If shared facilities prove difficult to use then investigate providing an outdoor leisure facility in the village.

Grantchester as part of the joint vision for Cambridge's quarter to six quadrant has identified the need to enhance the sporting features and playing fields in the area whilst keeping to the existing features of predominantly playing fields with only small pavilions and no large construction.
