Hello [REDACTED]

I've chatted with [REDACTED] and she's very happy with the plan. She's away the same week as me so extra incentive to get the press release nailed down as far as possible by 28 June.

She is checking in with [REDACTED] at Cambridge ([REDACTED]) to find out who will look after the comms their side and she'll let me know so that we can triangulate.

More soon

[REDACTED]
